

WHAT IS GENDER DIFFERENCE?

Sex is the biological difference. This difference leads to social difference that ends up giving **GENDER DIFFERENCES**.

Gender is socially learned behavior, based on Social Expectation from Men and Women. It varies across the world.

Sex is Natural.

Gender is Socio + Cultural = ManMade

Why do we need Gender sensitization in INDIA?

Gender sensitization is important because –

- Gender is not a “Women’s Issue” It’s “People’s Issue”.
- Construction of power of one Determines the Construction & Power of the Other
- It’s the undue pressure on Boys & Girls to live up to the established norms of Masculinity and femininity.
- Girls endure unwarranted social control, discrimination & domination.
- Boys discouraged from being emotional, gentle or fearful thrust into a world of Macho Protectors, Warriors, Breadwinners.
